Extensive Landscapes and Water Bodies.

Dwarka Expressway: The golden destination of Delhi NCR

- Alternative to NH-8, Dwarka Expressway will be one of the widest roads in the country
- The NH status and Government push has led to expedition of work
- All land has been acquired to complete the expressway
- Habitation is progressing at a rapid pace

Distances from Emerald Bay	
Diplomatic Enclave 2	9 km
Dwarka Convention Center	6 km
IGI Airport	7 km
Dwarka Metro Station	7 km

MASSIVE DEVELOPMENTS

Just minutes away from Diplomatic Greens and Emerald Bay.

India International Convention & Expo Centre (IICC)

WHAT IS IT?

The upcoming ECC at Dwarka will be the largest of its kind in India. Being developed on 90 hectares of land, at a cost of ₹26000 crs., it will have a massive exhibition space of 200,000 sq.m., 60,000 sq.m. of meeting and convention space and 3500 hotel rooms.

WHERE IS IT?

It's located near IGI Airport in Sector 25, Dwarka, just 5 minutes or 2.5 km away from Diplomatic Greens. It's access is supported by UER-II and Dwarka Expressway.

THE IMPACT

ECC is estimated to generate over 5 lakh direct and indirect employment opportunities. The surrounding areas will have a multiplier impact with better infrastructure when it begins operations in 2019.

Tunnel to connect Dwarka Expressway & IGI Airport

WHAT IS IT?

It is Delhi NCR's biggest tunnel road, about 4 km long, linking Gurgaon and Dwarka to IGI Airport. Both Dwarka Expressway and the new tunnel road will be executed by the National Highways Authority of India (NHAI).

WHERE IS IT?

The tunnel will run along the alignment of the existing underground Delhi Airport metro line from T3 Terminal to Dwarka Sector 21 metro station. Dwarka Expressway will act as a by-pass of NH-8 from Gurgaon and will take traffic pressure off the road, providing an alternative route for reaching the airport.

THE IMPACT

The areas in the near proximity to the entry of the tunnel road, like Sector 111, Gurgaon where Diplomatic Greens is located will enjoy a 5 minute access to IGI Airport & Aerocity.

Diplomatic Enclave 2

WHAT IS IT?

It is a dedicated area housing embassies, chanceries, high commissions and ambassador residences. The government has approved the transfer of 34.87 hectares land in Sector 24, Dwarka, from the Delhi Development Authority (DDA) to Land and Development Office (L&DO) to develop the second Diplomatic Enclave in the city. This approval came at the meeting of the Union Cabinet chaired by Prime Minister Narendra Modi.

WHERE IS IT?

Located in Sector 24, Dwarka, it is in close proximity to Dwarka Expressway and within 3 km from Diplomatic Greens, Gurgaon.

THE IMPACT

With all the modern infrastructure of wide roads and green landscaping which the 2nd Diplomatic Enclave will bring to the area, real estate here is sure to get a major boost. We all are familiar with the impact of Chankya Puri and Shanti Path in the early years of Delhi.

AIIMS Delhi Extension Campus

WHAT IS IT?

AIIMS, New Delhi has expanded its facilities with National Cancer Institute having a total capacity of 2100-beds. The institute will be the biggest cancer institute in India with 710 beds, 26 Operation Theaters, 15 laboratories for Principal Investigators and a separate Diagnostics Block.

WHERE IS IT?

Located 10 km from Emerald Bay it is a mere 15-20 minute drive.

THE IMPACT

Being bigger than AIIMS Delhi, it will deploy 2700 employees and cater to 10 lakh patients per annum. As it will be operational by 2018, it is already generating a good interest from health professionals of the residential areas on Dwarka Expressway.
